'Wabaco Annexation Valid,' Judge Ward

Circuit Court Judge Don A. Ward has declared Hazard City Ordinance 0-1-63, the annexation of Wabaco, to be valid, with one boundary exception.

The Ruling, in effect, says that Wabaco is now part of Hazard, within her city limits and jurisdiction, with the exception of Riverside Cemetery and four acres of land owned by the Brashears.

The ordinance, originally passed by the Board of Commissioners on January 7, 1963, had been contested in court since that date and had not been settled until Judge Ward made his decision.

Judge Ward noted that the

new northern boundary of Hazard runs down Long Branch (Orchard Heights Avenue), across the street to the cemetery entrance, then skirts the cemetery and road in a south-south-easterly direction to a point between Brashear's Florists and Bailey's Restaurant.

At Bailey's, the line runs east to the middle of the North Fork of the Kentucky River. All area south of that line is in the corporate city limits of Hazard.

In his decision, Judge Ward said that the attempt to incorporate the cemetery and Brashear's property, against protest, was invalid, ruling this property as a rural area that would not affect the material growth of the city.

The decision upheld City Attorney Ernest Faulkner's contention that the failure to annex Wabaco would materially impede the city.

Judge Ward handed down his interpretation and ruling after four days of deliberation.

Dawahare Places 3rd In State Horeshoe Pitchoff

Hazard Mayor Willie Dawahare placed third in the State Mayor's horeshoe pitchoff. He defeated the Mayor of Lexington 22-10, but dropped the next match against the Mayor of Somerset, who was champion.

Chief Luttrell said that the public is invited to the meeting.

ATTEMPTED TO RESIST ARREST

Breathitt Man Fatally Shot By Deputy Rufus Hudson

A 25-year-old Breathitt County man was fatally shot in front of his home at Frozen Creek last week during an exchange of pistol bullets with a deputy sheriff who was trying to arrest him.

Dead is Raymond Armstrong. The deputy, Rufus Hudson, 46, was charged with involuntary manslaughter. He was freed by County Court on a \$5,000 bond for appearance in Circuit Court this month.

Armstrong's three brothers, who were with him when the shooting started, were arrested later by Sheriff J. Wise Deaton on charges of shooting with intent to kill.

The brothers, Harold, 19, Robert, 20, and McArthur, 22, are in County Jail. County Court set their bonds at \$50,000 each. Sheriff Deaton said at least one of the brothers also fired at Hudson and that all three were arrested pending completion of his investigation.

Deaton said breach-of-peace warrants were taken out against Raymond Armstrong early Wednesday night by Armstrong's next-door neighbor, Ed Hogston. Hogston told the Sheriff that Armstrong had been shooting at him.

When Hudson arrived at the Armstrong home about 7 p. m. to serve the warrants, the brothers were waiting outside. As Hudson walked toward them, Raymond pulled a .22-caliber pistol and began firing at the deputy without warning, the sheriff reported.

Hudson returned to his car, got his .38-caliber pistol and re-

turned the fire, hitting Armstrong once in the abdomen. No one else was hit.

Sheriff Deaton said that Armstrong fired five times and that Hudson fired two or three times. One of the brothers also fired, but a second gun has not been found, Deaton said.

President of Kentucky Jaycees To Visit Hazard Chapter

Jack Crump

The president of the Kentucky Junior Chamber of Commerce, Jack Crump, of Owensboro, will make a club visit to the Hazard chapter on August 5.

His visit will coincide with two new activities of the local club, the start of a membership drive and the proposed extension of the club to the Hindman-Knott County area.

Hazard's Jaycees, under their president, Clarence Baker, have set 30 as the magic number in their recruiting program. This would increase the chapter to 86 members.

Six Jaycees met with interested young men of the Hindman-Knott County area July 31, and another meeting has been called by extension chairman J. A. Murphy for August 10, 7 p. m., at the Rock House, in Garner.

Mr. Crump will be making his second trip to Hazard as state president. He is employed in the public relations department of the Texas Gas Transmission Corporation.

Powell County Crash Claims Lives of Five, Injures Nine; Gordon Fugate, a Napier Basketball Star, Among Dead

An early morning head-on collision Saturday claimed the lives of five persons and injured nine. Among the dead was Gordon Fugate, 18, Ball Creek, a star basketball player at M. C. Napier High School. The accident occurred on a sharp curve on KY 11 in Powell County, about one-fourth mile north of Waltersville.

Fugate, at 6-7, was a mainstay on the successful 1963-64 Nava-Jo basketball squad, averaging 18 points and 15 rebounds a game. He would have been a senior this year.

State Trooper Marion Campbell said drivers of both cars apparently were negligent in rounding the sharp, 45-degree curve.

Evidence showed both vehicles were in the middle of the road when they collided, the trooper said, adding there was no indication that either tried to stop.

The injured were taken to four hospitals in six ambulances.

Killed in the crash were Fugate, Mrs. Lloyd Bishop, 32, of Irvine; her sister, Mrs. Oliver Crowe, 25, Irvine; Mrs. Crowe's infant daughter, Robbie, Cash Crowe; and Dolf Martin Fugate, 19, of Springfield, Ohio, who died late Saturday night.

Walkertown Gets New Parsonage

MEMBERS OF THE PETREY MEMORIAL BAPTIST CHURCH... at Walkertown recently broke ground on a new parsonage to be located at 133 Pear Street in Walkertown. The church voted to sell the old parsonage and to build a new, modern, three bedroom, two baths, brick veneer building. The contractor for the building is Ruby Brashear of Viper. At present Petrey Memorial Baptist Church is without a pastor, but it is hoped that the pulp and parsonage will be occupied soon. Future plans of the church call for a new Education Building to be built behind the church at 305 Alto Street in Walkertown. Work on the new Education Building is expected to begin next summer.

Hazard's Low Crime Rate Attributed To Fine Police Force

By Ben Fitzpatrick

Crime statistics show Hazard to have one of the nation's lowest crime rates, attributed to an excellent police force.

National figures list seven main categories for crime comparison, and Hazard's crime rate in six of the seven categories is less than five-hundredth of one percent. In the seventh, breaking and entering, the city's rate is .017.

The crime rate is determined by dividing the total number of offenses into the area population. It is done on a national, state, and city scale.

Across the country, the offenses and their crime rate are: murder and non-negligent manslaughter, 4.5; forcible rape, 8.7; robbery, 53.1; aggravated assault, 78.4; breaking and entering, 517.6; larceny \$50 and over, 324.3; and auto theft, 211.6.

In Kentucky, the crimes and their rates are: murder and non-negligent manslaughter, 5.6; forcible rape, 5.4; robbery, 35.8; aggravated assault, 43.7; breaking and entering, 436.5

larceny \$50 and over, 271.4; and, auto theft, 123.1.

When asked about Hazard's microscopic crime rate, Police Chief Bud Luttrell, replied, "we strive for the utmost efficiency that we can obtain with such a small force as we have."

He continued, "officers are on continuous patrol of the area. By this method of keeping on top of everything, we manage to catch a lot of crooks in the act or very shortly thereafter, and this dissuades outside elements from thinking of our city as an easy mark."

Col. Luttrell specifically recalled three cases in point, two where persons were caught as they came out a window after breaking and entering, and one, the quick capture of the men who beat and robbed the Wagers in Woodland Park.

The chief noted that word of such quick Police action gets around among the criminal element and they usually give Hazard a wide berth.

1963 statistics are indicative of the tight rein the police keep on all situations in Hazard. The force recorded 20,478 on-duty-hours last year, made 14,776 investigations, answered 1,841 police calls, recovered \$9,847 in stolen goods, issued 4,871 traffic tickets, and made over 1,500 arrests.

Members of the police force are: Colonel Luttrell, Captain George Smith, Class A patrolman Austin Smith, and officers Don Brashear, Anderson Asher, Mervin Fields, Bobby Combs, Sherman Williams, and Leon Jones.

A brief look at some time statistics points out how fortunate Hazard is to have a competent police force every three minutes there is a murder, forcible rape, or attempt to kill; there is a robbery every five minutes; a breaking and entering every 32 seconds; a case of larceny every minute, and a stolen auto every minute.

The total of crimes cleared by arrest against the person are encouraging and further proof that crime does not pay; of those that

commit murder, 91 percent are caught; negligent manslaughter, 84 percent; forcible rape, 59 percent; and, aggravated assault, 76 percent.

But crimes cleared by arrest against property are not so encouraging; only 39 percent of robberies are solved, 27 percent breaking and entering, 20 percent larceny, and 26 percent auto theft.

Presently, Hazard's police force has fewer members than in 1951. Col. Luttrell expressed a desire for an effective force of 12-15 officers, but he noted the budget could not afford such a force now.

He further added, "the reason we have only nine men is two-fold; first, good men are hard to come by; and secondly, we cannot pay enough to keep the good man as long as we need him. The state police have this very same problem."

Hazard's nine men do a thorough job of protecting the city and citizens should be proud of the record of its dedicated policemen, and the low crime rate their dedication has engendered.

VA Questions And Answers

Q — I was hospitalized in a VA Hospital for six weeks due to an auto accident. During that period I also received treatment for my service-connected nervous condition. Am I entitled to a total rating of 100 percent for this period of hospitalization due to treatment of my service-connected disability?

A — Where hospitalization is service-connected disability, the rating of 100 percent is not required. If you are hospitalized for a service-connected disability, you are entitled to a rating of 100 percent for the period of hospitalization.

Q — I receive disability pension of \$90 per month. Until recently my only other income was \$78 per month from Social Security. I am now able to do a part-time job and expect to make about \$10 per week for the rest of the year. Should this be reported to the VA or will it be OK to wait until time for the income report at the end of the year?

Rev. John Naegle Speaks To Kiwanis

Rev. John A. Naegle was guest speaker at the Kiwanis Club Tuesday evening, July 28th, and his subject was "Recreation".

Several months ago Rev. Naegle began work on a recreation program and collected a considerable sum especially from Civic Club members who were very liberal in their donations which were very much appreciated by him.

One of his first activities, he said, was a candy sale on which some money was lost. Sometime later a building which was part of the Liberty Street School was purchased from the Urban Renewal which was used by a group of the colored students, and known as the "Under 21 Club." As usual, the wheel with the loudest squeak gets the most grease," he said.

The sum of money raised, not including the money which was lost in the candy sale is still on deposit with the Treasurer, as well as all the record and receipts, and anyone can go there and inspect by request. Before any of the money can be taken out or spent it must first be signed for by the Mayor, City Manager, Two Commissioners, and the Treasurer, Mrs. Susie Brashear. The City of Hazard is also contributing to this cause. There then followed a short round table discussion with the Kiwanis members.

Hazard Little League All-Stars Rolls Past Benham 15-4

By Oscar Combs, Sports Editor

Hazard's Little League All-Stars came from behind twice to capture the Sub-District title over the Benham All-Stars Thursday evening at Whitesburg by a score of 15-4 as big Mike Combs collected three hits including a home run.

Benham commanded 20 and 4-2 leads before Hazard came up with a big five-run fourth inning that sent the locals in the lead for good at 7-4.

Mike Combs of the Indians, who socked a home run, double and a single, also got credit for the win. Combs gave up seven hits and three earned runs.

James Horn, Wayne Patrick, Juan Walters, and Bruce Begley contributed two hits each for Hazard in their third Play-Off win.

Combs fanned seven while walking four during the six innings. Three of the four Benham

runs were earned. George Hill went the distance for Benham giving up 13 hits. He struck out six and walked three. Hill gave up ten earned runs.

Only two home runs had been hit at Whitesburg during the tourney and both were by pitchers. Combs of Hazard smacked his against Benham and a pitcher from Jenkins connected for one earlier in tournament play.

Of the eight runs scored against Hazard in the three Play-Off games, six have come in the first two innings and the other two in the third inning.

London Downs Hazard In Championship 8-6; Hughes Blasts 2 Homers

London All-Stars Overcome Hazard's 6-1 Lead;

Enter State Tournament Play Tomorrow At Ashland

London's Little League All-Stars fought from a 6-1 Hazard lead in the third inning and went on to edge the All-Stars of Hazard 8-6 on the terrific power hitting of big Roger Hughes and the clutch pitching of Karl Williams in the championship game of the 4th District Little League Play-Offs.

Hughes blasted two home runs, one which could be classified as a Babe Ruth League homer, with the latter putting the London nine ahead 8-6 in the fifth inning.

Starting pitcher Karl Williams allowed six hits in the first three innings including a long grand slam homer by William Turner but held the Hazard sluggers at bay the rest of the way.

Hazard Leads 2-0

Hazard broke on top in the first inning for a 2-0 lead when Juan Walters lined a single to centerfield with the bases loaded.

Kermit "June Bug" Caudill was safe on an error to lead off the inning but James Horn popped out while attempting to bunt. Wayne Patrick fanned but Turner and Mike Combs walked to load the bases bringing up Walters. London hurler

and after a fielder's choice and another out Hughes slammed his second homer of the game for an 8-6 decision.

The winning pitcher, Karl Williams, fanned three and walked five while giving up six hits, all coming in the first three innings.

William Turner, the Hazard starter, suffered the defeat while whiffing four and walking three. He gave up 13 hits.

Having a Bowl at the Ball Park

Each player, coach and manager participating in the recent All-Star baseball classic at New York's Shea Stadium was presented with a silver engraved bowl and traveling bag by the Chrysler Corporation, which co-sponsored the game on NBC television and radio. Shown with their gifts are center fielder Willie Mays, of the San Francisco Giants (left) and pitcher Sandy Koufax, of the Los Angeles Dodgers. Chrysler also sponsors, on TV and radio, the World Series, NCAA football games, annual Rose Bowl Game and the Orange Bowl Game, all of which they estimate have a potential reach into 45,622,000 U.S. homes. It is a matter of record, in fact, that three sports events sponsored by Chrysler last year are among the top ten most viewed events in the history of television.

Gloves To The Little League

RECEIVING THREE MORE GLOVES AND . . . balls is the Hazard Little League Baseball Program from the Mountain Wholesale Company. Shown here with the gloves are Cokie Cox, manager of the M & M Team; C. E. Feltner, donor of the gloves and balls; and Hazard Mayor Willie Dawahere who presented the awards to Little Leaguers. This allotment of awards is the second this year received from Mr. Feltner. The gloves go to Little Leaguers who are in need and can not afford to purchase them.

M. C. Napier Announces 12-Game Schedule For 1964 Football Season

Ed Wilson, M. C. Napier High School head football coach has announced a 12-game schedule for the 1964 edition of the M. C. Napier Navajos.

The home opener for the Navajos this year is Friday, August 21 when the Napier eleven hits the gridiron against the Wheelwright Trojans.

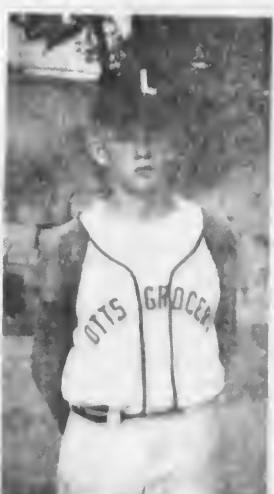

Coach Wilson expects a number of seniors to carry the big load for the Navajos this year. Wilson has high praise for senior quarterback Mickey Joe Fields.

Fields, who has a fine arm and an accurate eye, should be the mainstay for the Napier squad on offense this year.

Others gaining praise from Wilson are Jimmy McAlarnis, brother of former Napier star Danny McAlarnis, and Glenn Ritchie. McAlarnis is a half-back while Ritchie, a 190 pounder, is expected to hold down

Hughes, a left-handed batter but a right handed thrower, also got credit for four runs batted in.

Blair Fork Wins 1st; Lothair Gets Finale

Two of the top softball teams in Eastern Kentucky collided head-on Sunday afternoon with Blair Fork winning the first game 3-1 and Lothair taking the nightcap 2-1 as Lothair won their fifth game in seven attempts against Blair Fork this year.

Avery Smith's four-hitter and two hits by Allen Thompson gave Blair Fork a 3-1 victory in the first affair. Carl Pignman fired a five-hitter but faulty support proved to be the downfall.

Gene Smith (15-3) threw a one-hitter in the second game and blasted a two-base hit in the final inning to tie the game and Jim Hall drove him home with the winning run on a bunt.

Pick Rose, Jim Hall, and Chuck Meade had the other hits for Lothair. Blair Fork's only hit off Smith was a second inning infield single by Buddy Cobb

KARL WILLIAMS, STARTING pitcher and winning hurler for London in last Friday's game, is one of the smallest boys on the London squad but you couldn't prove it to the Hazard sluggers. After big William Turner hit the four-run homer off him in the second inning he allowed only a single to Juan Walters the rest of the way and collected the 8-6 win. He also figured in the scoring while getting two hits and scoring three times.
